When I first saw me fucking on camera, I was amazed. It was bright and I was hot. Even the girl I was with thought I was pretty hot. It took a few years before I was comfortable to get in front of a camera with a guy. They're a whole lot more work than a woman.

some things are more fun than the

old ball game

I'm the local baseball coach at the high school here in one of the northern Chicago suburbs. I've been the coach for the past ten years and I love the kids that have played with my teams. When I was back in school, my high school baseball team won the state championship title some twenty-five years ago. None of us went on to play in the majors or even college ball. That's because we were in a small town and it was impossible to compete with guys from the bigger high schools in the state that lived and breathed baseball.

But that didn't mean we lost our love for the game. As a matter of fact we became some of the most ardent fans of baseball. While we went to college, some of us returned to our home town for one reason or another. We helped form little league clubs for the kids. We formed softball leagues for the adults, and even a softball league for women. Some of us even married softballers. I went on to coach the team, as I said.

The Major League Playoffs for the World Series is starting today and a few of the guys and their wives are over to my house for the game. We are all die-hard Cubs fans so we have a lot to root for. They are in the Wild Card game and we can only hope they win this year. It's a national joke that we haven't won the title since 1908, but I'll save that

for another letter to a sports magazine. Throughout the years, we've never lost faith in our guys. To make it even more special, Richard is the brother of one of the players and he chose to be here with us instead of accepting his brother's ticket to the game. As the game started, we all gathered around the TV, and beer and adrenaline start flowing freely.

We cheered at every good Cubs play. The women were into it also. It had taken them a while to ac-

cept our enthusiasm for the game, but after years of going to games and even playing it, they've become fans of the baseball and fans of the Cubbies. I'll spare you the play by play since this is the first game and I won't know who wins the Series for another month. This letter could not wait that long. As the game went on, we were all jumping and screaming like little kids. With just a couple innings to go, I grabbed my wife lifting her up off the floor, she wrapped her

As this year's major league's baseball playoffs started, my wife and I threw a party for our friends. We couldn't wait for the game to end before the real festivities got under way. I think our team won?

now!" Nobody left.

A few of our friends did not know exactly what she meant but a murmur went around the room and then everyone got it. We had often imagined such a scenario but none of

had ever seen her. At forty she was still incredibly beautiful and I couldn't keep my hands off her. I lowered her to the floor where she removed her panties and opened her legs for me. I dropped my pants and underwear in one fluid motion and then dropped down onto her. My cock sank deeply into her hungry pussy. I was grunting, she was shouting out, and we climaxed together exhausted in our efforts. As I regained my composure and looked around we were not the only ones that had celebrated with sex, we all had. I don't know how I was so oblivious to the other goings on but it really didn't matter.

As I tried to compose myself, the game officially ends and my wife stands up and says, "The Cubs did it. Come on everyone, it's time to really celebrate. Whoever doesn't want to stick around and play should leave

us ever really thought that it would happen. I gave my wife a hug and a kiss before I grabbed Zoey and carried her over behind the bar. I didn't need to show everyone how much I wanted her, and I didn't need to see who was fucking my wife either. Zoey just smiled up at me as she grabbed my cock and played with it. I wanted to eat her pussy so I buried my face in her crotch and did everything that I had always wanted to do to her.

I kissed her pussy lips, I kissed her clit, and I tried to put my tongue as deep into her pussy as I could. She held her knees up to her chest to help me out. I licked her from her asshole to her clit several times before I tried to get my tongue in her ass. She cooed, she squirmed, and then she begged me to stick it in her.

But now I had a small dilemma. I had

wanted to fuck her for years and now I had my chance, but I really wanted to stick my cock in her ass. Would she let me? All I could do was ask. Her answer was, "Stick it anywhere you want to as long as you stick it in me." I knew that I liked this woman for a reason. I positioned myself, she cooperated, and I popped the head inside of her sphincter muscle. She had me hold still for a moment so that she could get used to the intrusion.

She confessed that she was an anal virgin but that she had wanted me

I kissed her pussy lips, I kissed her clit, and I tried to put my tongue as deep into her pussy as I could. She held her knees up to her chest to help me out.

for so long that she would do anything that I wanted. I slipped my cock into her ass and my tongue into her mouth. As I fucked Zoey in her ass, I whispered that I had always wanted her ever since we first met. Between my anal thrusts she whispered back that she had always wanted me too, but didn't want to get in the way of my marriage. Caught between wanting to cum in her ass and save myself for the other ladies, I asked if I could see her again after the party. She agreed but we'd have to do it on the down low. Then she said, "I feel you ready to cum. I want you to do it in my ass, lover." I decided then and there not to miss this opportunity.

That was perfect because I was about to do just that. I thrust deep into her anus and spurt load after load of cum into her ass. We kissed passionately and then Zoey dared

me to stick my cock in my wife's mouth. I smiled and dared her to get into a sixty-nine and stick her pussy in my wife's face. As we came out from behind the bar the others were also recovering. I walked over to my wife and stuck my cock in her face. She smelled it, looked at Zoey and then sucked it into her mouth.

When I was hard again, I walked over to Ariana and took her over in front of the bar and together we watched Zoey sit on my wife's face. Ariana just let me open her legs and stick my cock into her as she watched the girl on girl action. Fucking Ariana was no where near as nice as fucking Zoey or my wife. She just lay there and let me do my thing. She didn't squirm around, she didn't thrust back at me, and she didn't have an orgasm either. When I pulled out, Ariana put her hands down to her pussy and played with her own clit as she watched my wife and Zoey go at it. Ariana had lesbian tendencies!

When the girls were done I told Ariana to get on Zoey and do the same thing. Ariana screamed with delight as the intense pleasure swept through her trembling body. She jerked her body around wildly as she had orgasm after orgasm from Zoey's talented mouth and fingers. Her whole body tingled with delight as wave after wave of her orgasms shook her body. She came close to passing out from the excitement. Her body finally went limp and she just kept saying Zoey's name over and over again. Zoey gave Ariana time to relax and calm down from her multiple orgasms. She had moved up beside her and just laid there telling her how beautiful and sexy she was as she ran her fingers through her silky blonde hair. When her breathing returned to normal she asked her if she want-

Ariana turned and kissed her on the lips slipping her tongue into her mouth. Zoey pushed Ariana on her back and moved on top of her. Opening her mouth she kissed Ariana,

wife's help and thoughts of Zoey in a threesome, I managed to do it. The other guys only made it to three or four but couldn't go any further. My wife got her fill of cock and I was glad not to have seen it. She may be a little more forgiving than me, so I just bury my head in the sand. But as she tasted each girl on my cock and in person, she told me which ones she liked the taste of and we should invite them back. Who am I to disagree?

The evening had definitely been one for the record books. Not only for the Cubbies, but at our house also. For years my wife and I had often talked about making love to the other women in our group but that night all of our fantasies came true. Well not quite all of them, but they did over the months that followed.

My wife got each woman to join us in bed for a threesome. Zoey was invited for a threesome with us once a week. She was also invited over just to have sex with me a couple more times. I got to make love to all three of Zoey's holes every week. Because of Zoey, my wife now lets me butt fuck her occasionally. Now that alone was something extra good that came out of that party night.

Just to be fair, guys, you should know that my wife also got a good deal out of all this. She makes booty calls to the other guys when they call or when both parties are available. The other wives, we've learned, also have created their own swapping agendas, so everyone is still getting their rocks off. When we all get together, everyone seems happier and closer than before. Admittedly, this is not a lifestyle for everyone. It's something we developed, and while I'm sure it won't last forever, it sure is a hell of a lot of fun right now.

both of their tongues darting back and forth in each others mouths. She rubbed her pussy against Ariana's as the kiss lasted a long time. As Zoey raised up from the kiss she moved up and rubbed her small, firm tits against Ariana's mouth. Zoey moaned rubbing her big dark brown nipple against her wet soft lips.

Ariana flicked out her tongue and licked Zoey's thick rubbery nipple before sucking it into her mouth. Zoey moved back and forth letting her lick and suck both swollen nipples. Telling her how good she was at sucking her nipples. Ariana moaned as Zoey slid up and straddled her head. She admired her hairy pussy and the big lips sticking out past the dark brown hair, inhaling the musky aroma and wanting so much to taste her. She put her hands on Zoey's tight little ass and fondled it. Flicking out her tongue she licked her wet, glistening pussy lips. Moaning as she loved the

willingly. She slid her tongue up and down her crack, swirling her tongue against her puckered asshole. Pushing the tip of her tongue up her hot, tight tunnel. Zoey moaned and wiggled her hips around, pressing her asshole against Ariana's mouth.

As Ariana and Zoey were going at it, I walked back to my wife who immediately dropped to her knees and I put my cock back in my wife's face. She looked back at Ariana and smiled at me before sucking on it. She licked every inch of it and even went down on my balls, trying to absorb all of Ariana's pussy slime into her mouth. When I was hard again she quietly demanded to taste all of the ladies tonight. I smiled and gave her a big kiss and she slapped my butt like 'go get em, boy' before heading on to another lady.

It was all that I could do to fuck the other women that night but with my

I was once asked if I would like to make thousands of men happy. 'Sure,' I said, as long as it wasn't a gangbang or a reality show. He said that all I had to do was pose for a men's magazine, I laughed and said I'd love to. And the rest is history!

The first time I decided to try anal sex, I practiced a few times with a dildo, but I felt it wasn't right. So I convinced my husband at the time (yeah, like he needed convincing) that I wanted to do it. I don't think I ever saw his cock get hard as fast. When we did it, I loved it and now it's a part of my sex life no matter who I'm fucking. Especially if it's you.

Like most women, I like variety when it comes to sex. In the men I'm with; in the positions we try; and of course, the places we do it. I like quickie sex, and long, slow love-making. Once I get the urge, there's no stopping me. I'm like a horny train that can't stop.

Morning Wood

I'm sure you know that everyone has desires, and many have morning desires. My wife Haley and I are two of those fortunate people. I'm just waking up, the sun illuminating the bedroom, and then this vision of beauty enters. It's Haley and she is ready and eager to satisfy those morning desires. She gets me ready while I'm still under the covers. I don't mind. I know what's coming so I play along. At first she reaches under the sheets and finds my cock. It's already rock hard in anticipation.

And after a good deal of attention paid to it with her fingers, she pulls back the covers and mounts me and the fun really begins. Position after position, we two go at it hard, enjoying every minute. We fit really nicely together and it shows. There's an intimacy here that you can't fake. I won't spoil it for you, but let's just say that our morning desires were definitely satisfied. :)

Size Matters For Me

I'm a forty-two year old divorced woman who had been married for more than twenty years. I split from my husband because – ready for this – I wasn't getting enough sex from him. That's what was said on the outside, but the real truth is that his dick was way too small and I wanted more out of a cock. Yes, I got pregnant and popped out a couple kids. But as time went on, I began to fantasize about bigger and bigger cocks. I would occasionally watch porn with a girlfriend on her cable TV and envied the women that were getting

schtupped by those huge cocks.

In my fantasies, I would be in command and control these huge cocks. I would lick them and suck on them. There were never any faces involved, only big anonymous cocks. Kinda like a porn movie where you only see a woman's face sucking and never the man's. Well, one night I decided to do something about it. I'd go suck anonymous cock. I'd look for the largest one I could find and make my fantasy into reality. I debated whether to go to Los Angeles and get into the porn biz, but before I did, I wanted to test it out closer to home. Manhattan is large enough for me and many people here are quite sexually adventurous, so why not start here.

It's now Friday night I'm off to a well known 'pick-up' bar with my girlfriends, Tina and Rachel (safety in numbers, ya know). We decided to go to a well known dive in the Tribeca district. Well-known for it's nightlife, Tribeca also has plenty of sexy straight and bi-bars. We walk into one and head for the bar area. Fortunately there were a couple seats at the bar but there were three of us. I decided I would stand because I was on the prowl. We ordered some drinks and within minutes I spotted someone to test out. I stepped up to the farthest side of the bar and decided I should make the first move on the two guys standing there. They looked like football play-

40+: Hi Chelsea. You look great today. I hear you just got back from a week in Hawaii.

Chelsea: Hi guys. I see you have Leah with you. Hi baby... I can't wait to lick your pussy. (Leah laughs and nods.) But yes, I had a great time in Hawaii. I fucked every night there and it was great. Four of us went and spent the time switching off and getting off. It was a great time.

ers (watching their Giants play tonight) that were just past their prime, but still built nice no less. As I was about to walk over to them and offer to buy the next round, the taller of the two walked back to the men's room. This, I thought, might be a better opportunity. After a couple of minutes I walked back to there and slipped into the men's room. It was empty except for him. He had just finished peeing and was shaking the last drops off his dick.

He tucked it in his pants, zipped up and headed for the sink. He saw me and rather unimpressed said the Ladies room was next door. "I know," I said very nervously. "I wasn't looking for the Ladies room." "Oh?" he responded with a touch of sarcasm in his tone. I suddenly realized I held the advantage and blurted out exactly what I wanted to say: "I saw you at the bar and came in here looking for you. I would very much like to suck you off." I couldn't believe I just said it.

"You what?!" he asked surprised. "I want to suck your dick. I want to see how big it is. I want know what it tastes like. You got a problem with that?" "Damn. I got no problem. You want it right here, right now?" he asked.

"Right here, right now. Wash that thing and bring it over here." I headed into a stall, placed the lid top down on the toilet and sat down. I heard him turn the faucet off and walk over to me. In seconds he was standing directly in front of me like an obedient puppy and began to undo his pants. "Wait," I said, "I'll do that." I slowly unzipped him and let his trousers fall to the floor. I rubbed him through his boxer shorts with my hand. My long fingernails carefully scratched his manhood through his boxers. As he hardened, I saw the head boring its way through the waist band. It struggled for freedom. I carefully peeled back his underwear and drew them down. His big hard cock sprung forwards at me.

And so here it was; fleshy and gorgeous and big, just inches from my face. I finally had a huge cock all to myself. "Wow," I told him, "you have a very beautiful – and big – cock." as my words disappeared like his cock into my mouth. "I want you to fuck my mouth." I couldn't believe I said that, too. "I want you to stuff it all the way down my throat. I want you to fuck my face. Make me gag on it. And when you cum, you can pump it down my throat or blow it in my mouth."

I wasted no time in beginning my fun. I took his cock in my hand and brought the head to my lips. My tongue first went for the peehole. I licked it several times. It was already slightly lubed with his pre-cum. I took the head between my lips and drew it in, sucking hard. He moaned and braced himself with his arms against the frame of the stall doorway. I carefully lathered his entire cock, licking and tasting all sides. It was delicious. I nibbled along the shaft's tender underside while manipulating it with my hands. I was lifted serenely to big cock heaven as he grew more and more excited.

When he started rocking his hips, I took the hint and opened my mouth for him to fill. He began to poke it further in and I responded by sucking more of its length with each thrust. His hands grabbed the back of my head and I looked up at him with eyes wide open to af-

Lezzie Love:

I had such a great time, yes, it was by myself, watching Cherie and Holly lick and suck on each other. There was some great passion there and I especially enjoyed that there were no toys. Just real flesh doing it to real flesh. I thought the little scene where Holly's standing on the sofa and Cherie's eating out her butt was really hot. As were the sixty-nine scenes. It's great when they switch positions and you can see each one on top and on the bottom. Great camera work.

– Matt, El Paso

firm my consent. I was committed in jamming that cock all the way down my throat.

With each oncoming thrust, another half inch slipped down. I lustfully accepted a dozen more jabs until that throbbing monster laid claim to my mouth. Clearly now the advantage was his. He was in full blood lust. I would receive a thorough face-fucking whether I wanted it or not. I loved it! Thrust after thrust, this huge cock penetrated the depths of my accommodating throat. I couldn't believe cock sucking could be so much fun.

Having worked up a good steady rhythm, it easily sliding in and out as saliva seeped out in long strands, then dribbled on the floor. I creamed my undies several times while fingering myself. Then he clutched my hair, planted his cock in my throat and held my face hard against his crotch. He bucked with my nose nuzzled in his pubic hair. Not once, not twice, but three times. I was completely plugged and couldn't breathe. I thought he'd shoot his spunk right down my throat but unfortunately I couldn't hold him in any longer and had to push him off gagging and gasping for air. At this point there was no turning back. His eyes told me that he couldn't stop if he wanted to and I so wanted to taste him. Quickly he brought it back to my face and pushed my hands away.

Pumping his cock with his own hand, he aimed it directly at my mouth. I looked him square in the eyes. With his free hand he cupped the back of my head. I licked my lips and opened wide for him. Offering my extended tongue as an easy target, he put his mushroom head on it and vigorously stroked himself as I held on to his upper thighs. Pre-cum oozed and I got a quick prelude of what was forthcoming. My body nervously twitched.

A huge load of sperm came quickly at me and skipped across the back of my tongue, cling-

ing to the back walls of my throat. I made gagging noises but kept my mouth wide open for his next shot. His second load fell on my outstretched tongue. I slurped it quickly in and opened wide for the third blast. This one hit the roof of my mouth and slowly drizzled down toward my throat. I pushed his hand away and fastened my right hand around his hard on and my lips around the crown of his cockhead. I sucked and licked up the rest of his warm delicious man-offering into my hot willing mouth.

Just kneeling there in front of him with a warm mouthful of his freshly deposited sperm was enough to convince me that I would be wanting more. In the meantime, he looked down at me in disbelief as his cock softened. "Damn, I can't believe you swallowed all those loads in your mouth?"

I then kissed him not on his lips but on the tip of his sticky penis, of course. I pulled his underwear up and he carefully repackaged his equipment. He left the men's room first as I took a moment to clean up and check my lip-stick. I walked out and back to my girlfriends who were now engaged with a couple studs of their own. I leaned in and kissed Tina so she could smell his cum. She stuck her tongue in my mouth for a taste, looked at me, then grabbed her suitor's hand and led him to the men's room. She looked back at me and winked.

Horny Emily:

At first I was a little taken back (in a good way) by Emily's pictorial when she where she was fucking this older man. But as they got into it, it turned into a great sex scene. For an old dude, he's got quite a rod on him and she took it all. In her mouth and in her pussy. I only wish I could have seen her take it in her butt. Maybe next time.
